

22nd February

My cousin Shara came to Hong Kong for three days. I took her for a one-day trip. But Shara was a little unhappy.

In the morning, we ate breakfast at home. Then I took her to Mong Kong and went shopping. Shara bought many things so she was happy. After that we ate street food. They were delicious! Next, I took her to The Peak by MTR. There were many people. It was so crowded! We waited over an hour for the peak tram. When we got to the top, we visited Madame Tussauds Wax Figure Gallery. We saw many famous characters in the wax figure and took photos with them. It was exciting and we ate lunch at Causeway Bay.

In the afternoon, we went to Disneyland. We saw Mickey and Minnie and took photos with them. And then we played the rides. They were excellent! After leaving the Disneyland, we went to Avenue of Stars. We took a walk and watched the flag-raising. It was a relaxing thing.

In the evening, I wanted to take her to eat dinner at Tsim Sha Tsui. But I was too tired and we went back home straight.

When we got home, she asked me, 'Why don't we eat dinner? I am so hungry!' But I was really too sleepy, so she was angry.

Ah... It was a really unhappy day.
