

2D Cheung Ting Lap, Jimmy (6)  
Snapshot/ Impression of the Hong Kong Wetland Park

This is a shot I took at two o'clock in Hong Kong Wetland Park last Friday. In Hong Kong Wetland Park, there are many birds. This photo is the most beautiful of all my photos. The biggest bird has a beak which is not sharp but so long and black. Its feet are long and black, too. Except for the beak and feet, they are white everywhere.
