Summary: (30 words):

The film is about R and Julie. It takes place in airport and stadium. R wants to save Julie because R likes Julie. But Julie wants to leave the zombie zone. When they start to leave the zombie zone, R changes zombie to human gradually, so the skeleton wants to kill them because they think R is human. Finally they fall in love.

My Comments: (80 words):

I think this film's storyline is very simple because this is very easy to get the message. The characters have excellent acting skill and my favourite character is R because he acts as lively as a zombie, the costumes match with R. I think this film is amazing because the film has a lot of comedy elements and action scenes. So I highly recommend this movie.

My Favourite Scene:

My favourite scene is the climax of the movie because this scene is very exciting. This scene is about R and Julie take the zombies to the city because the zombies change from zombie to human gradually when they go to the city. Skeletons want to kill them. Finally Julie successfully urges her father to send the army to kill the skeletons and helps the zombies to go to the city.
