- Lilian Oh! Not just starting this year .This happened about thirty years ago or may be earlier.
- Ocean What happened?
- Louis You don't know? Ha, Ha. Let me tell you about it. It's Global warming! Global warming is becoming a serious problem in recent years. Climate change is affected by Global Warming.
- Candy Yes! Did you know, there is an Earth Hour global event organized by WWF? It is held on Saturday of March every year . Millions of people around the world will join together to turn off the lights.
- Anson Yes! It is a really good event because it sends a powerful global message to remind people to care about the climate change.
- Ocean So, how is the climate changing?
- Tom It is because of greenhouse gasses, air pollution, trees being cut down and industrial fumes. The earth's climate is constantly changing because of this.
- Anson Throughout history, there has been times when it is cold, and times when it is warm. These changes have a major impact to our Earth.
- Candy This sounds really serious! We need to do something about it!
- Ocean Yes, I agree with you .We are world leaders, so we need to protect our planet.
- Louis Yeah! Besides that, Michael Jackson wrote a song, called Earth Song. The song sends a stronger feeling of our Earth being destroyed. Michael Jackson feels pained from the war, the hunger, and natural disasters.

Tom Yes, the song sends a powerful message for us, we must stop destroying our beautiful planet, otherwise we will lose our future instantly.

Lilian Let's listen to the song!

Song: Earth Song (Michael Jackson)

What about sunrise
What about rain
What about all the things
That you said we were to gain
What about killing fields
Is there a time
What about all the things
That you said was yours and mine
Did you ever stop to notice
All the blood we've shed before
Did you ever stop to notice
This crying Earth, these weeping shores

What have we've done to the world
Look what we've done
What about all the peace
That you pledge your only son
What about flowering fields
Is there a time
What about all the dreams
That you said was yours and mine
Did you ever stop to notice
All the children dead from war
Did you ever stop to notice
This crying Earth, theses weeping shores

Did you ever stop to notice
All the blood we've shed before
Did you ever stop to notice
This crying Earth, these weeping shores
