FX Radio

1: Good Morning Everybody! We are FX!

Cathy: My name is C Wing!

Ruby: My name is C-Man.

Karen: My name is Wan C,

Jasmine: My name is Jas C.

2: Hey guys! Yesterday I had my lunch at KFC. It's so yummy!

3: Well, I don't think that KFC is yummy. I think that the food is dirty.

4: I agree with you, I also think it's unhealthy.

5: No! No! No! I reject your point. KFC is delicious, Although there are some fried foods, there are also some healthy food. For example, mushroom rice and chicken a la king. The mushrooms and vegetables are very healthy for your body.

6: I disagree with your point. I think that the mushroom rice and chicken a la king have very few vegetables and a lot of oily sauce.

7: But...KFC is very convenient for Hong Kong people and the taste is not so bad. People in Hong Kong are very busy, so they don't have time to cook at home.

8: Oh, dear! I give you listen a song call the "Fast Food Song" by fast food rockers. This song will tell you about fast food.
