

Harridan

Halloween was arrived, the children made up and played the rules of different ghosts and monsters, they said to every family "Trick or Treat", but other than being happy, there was fear too. Why? Because a 15 year-old girl lived in this happy city, she was not a human, she was a harridan. Her name was Hecate.

At the Halloween, Rena said 'Have you heard of Hecate?' to her friends, 'Yes, I have heard, she is a harridan!' Ryan said, 'But it is said that she is very horrible. She loves to take away children and young girls' soul at the Halloween every year.' Alice said, 'I have heard of it. There were several young girls missing in last year's Halloween.' Lass said, 'Yes, I heard it too. Even if you do not go to look for her, but she still come to look for you!' Ryan said, 'Nonsense! This is only a rumor!' Suddenly, a hang clock rang out, 'Oh! Ten o'clock, he needs to go to bed now.' Rena said.

It was now ten o'clock when Rena left the bed. She was going to the toilet. Suddenly, she saw that there was blood that came out from the ground, she thought to bawl, but she discovered herself being pressed and shut up by somebody's hands, then someone said to her 'Happy Halloween, I am a harridan, my name is Hecate. Your soul and body is my "Candy", Rena was fear, her body could not move, then Hecate used a magic wand to get her soul and body, then she said 'This "Candy" is delicious. Um... but it is not enough. YOU BECOME MY "CANDY" too!'

The end
