

My Wonderful Person

Dear Margaret,

How are you? Hope you're doing well. Thanks for the essay information. It sounds so interesting.

The person I want to write about is Liu Xiang. He is a Chinese 110 metre hurdler. He is good at hurdling. He is one of China's commercially successful athletes and has emerged as a cultural icon. He is an Olympic Gold medalist and World Champion. He stands 1.88 metres and weighs 78 kg. He is taller than most sprint hurdlers, and he has showed spectacular athleticism by constraining his naturally long stride to the three-step pattern in order to avoid the alternation of lead legs in hurdling. There was a period of time that he could not run due to injury. After his treatment, and in September 10, 2009, he made a test result of 13.7 seconds at the national track and field squad. Thus, he is very perseverant. I think he is wonderful and he is very good at sports.

Can you tell me more about how to submit the essay? Take care and write back soon. I look forward to hearing back from you.

Love,
Kelly
