

My Wonderful Person

Dear Margaret,

How are you? I hope you are fine. Everything is good here. Is it very cold in USA? It is now starting to become warm in Hong Kong.

Recently, I am very happy because I have a nice piano teacher. Her name is Janice. I would like to tell you about her.

She has short, black hair. She is of medium height. She doesn't wear any glasses. She is a successful piano teacher who plays wonderfully. She has won the 1st prize of the piano competition this year. She played the songs carefully and beautifully. Later on, she will write a piano book. I think she is wonderful because she teaches me about music and life.

When will you visit Hong Kong? I hope you will come soon. I will take you to many wonderful places, and maybe I can introduce Janice to you.

Please take care of yourself. I hope you will reply soon.

Best wishes,

Kelly
