My trip to the Hong Kong Wetland Park

Last week, we went to the Hong Kong Wetland Park. We walked on the Floating Boardwalk and visited the Bird hide, Wetland Interactive World and Pui Pui's Home. Finally, we spent time in the souvenir shop. It was fun.

First, we went to the Wetland Interactive World. There, we saw many birds' photos, we also learnt about the Living wetlands and Human culture.....

Then, we went to the Bird hide. I saw many Spoonbills. They were very beautiful. They were so adorable. I saw the Tufted Ducks, Mallards and the Chinese spot-billed Ducks. I like the Eurasian Wigeon very much. The Eurasian Wigeon looked a bit chubby and childish, yet friendly! It had a pale yellow forehead. It looked like a piece of cheese on the face of a careless kid. It was so adorable.

Next, we had a walk on Floating Boardwalk. I think it was so terrifying.

Finally, we went to Pui Pui's Home. It was a crocodile, but I think the crocodile was so cruel and rude.

Though out the trip, the most memorable part was Pui Pui's Home. It was a funny day!
