

Dear Michael,

I'm glad to receive your letter! In fact, I was busy for my exam currently... But I finished it yesterday! I am going to enjoy my holiday.

Actually, I went to the sports camp last year. I think the camp was quite nice for me. The camp was located in a well-known sports institute in Guangdong. I had practice, visited the athletes and traveled during the camp.

I think there was absolutely the best place for athletes to exercise. Since the place was big and well-equipped. I was glad to have a chance to do practice there. The people there were as friendly as a friend to us. They led us to travel around and brought us to enjoy great food.

Are you planning to join a sports camp? If you're interested, I can give you some advice and more detailed information! Actually joining a camp can make new friends and travel around, it's nice. Hope to receive your letter soon.

Best wishes,  
Chris
