Subject: School Assembly

Dear Principal,

I have already received the letter about the speech during school assembly from you and I have some suggestions about which sports celebrity is suitable to be invited to give a speech.

The person I suggest to invite is Dwyane Wade who is one of the most famous and valuable basketball players in the world. Wade was born on 17 January 1982 in Chicago, a big city in Illinois which is a state of United States. Now he plays for Heat which won two-time NBA champion and he was named the 2006 NBA finals most valuable player and the 2010 NBA All-star Game most valuable player. Moreover, he helped the USA Basketball team to win Olympics champion twice. However, before he became a sport super star, he has undergone some big difficulties. Wade's parents separated after his birth shortly and his family struggled financially and was eventually forced to go on welfare but he has come through all this struggles and finally started to play basketball which changed his whole life. With his determined, fearless, hard-working personality and talent of playing basketball, he always gives a nearly perfect data in every single game.

There are several reasons that Dwyane Wade is the suitable person. First, he is a famous basketball player and also an idol of many basketball lovers. Basketball is a very popular sport among the youth. If we invite Dwyane Wade to be our guest speaker, it can attract students' attentions at the assembly. In addition, his passion for sports can be a model that students can learn the sportsmanship from him. He can have a mega influence on the promotion of sport in our school.

The celebrity could cover his stories of playing basketball games and his road to success as he is such a good example of achieving a success with efforts. He shows us that no great person can foresee the great achievement will happen on them and with hope, we can have dreams, with dream, we have the chance of success.

Inviting Dwyane Wade not only can promote sports in the school, but also he can be a role model for our student as well. If you consider my suggestion and invite Dwyane Wade to be our guest speaker, it will bring a gigantic positive influence on the students.

Best regards,
Chris Fung
