

You have a friend Terry, who lives in Canada. Usually, she does not go to the theatre, saying it is a waste of time and money. Recently, you have seen a play called Beauty and the Beast and were very impressed by it. Write a letter to Terry, explaining why you liked this play and suggesting that she should see it. In your letter, concentrate on persuading her to see the play. Discuss at least three strong reasons why it is worthwhile to do so.

Dear Terry,

How's your life? I had watched a drama show called 'Beauty and the Beast' a few days ago in the Hong Kong Cultural Centre. It is a great performance, and I know that you think it is time-consuming and money wasting for watching drama show in the theatre. 'Beauty and the Beast' is an excellent drama and I'm sure that you will have an unforgettable experience after watching 'Beauty and the Beast'!

For watching drama, we can learn more English and it can also improve our spoken English. The characters may say some difficult vocabulary items through the dialogue and we can learn more vocabulary items during the drama show. Moreover, we can learn more colloquial expressions as the actors and actress speak the dialogue smoothly.

Also, watching drama can be fun and entertaining. We can relax at that moment after a busy day. The actors and actresses are interactive too. They will ask us some questions during the drama show and we won't feel bored.

Then, the actors and actresses are famous and professional. They won many prizes before and they went to many countries to perform the drama show- 'Beauty and the Beast', for instance England, America etc. Thus, they have many experiences for performance.

Added, we will have discount watching this drama show as we are students. For this cheaper price, go and watch it!

Another reason that I like this drama is the costumes. The costumes are beautiful. And these beautiful costumes are hand-made. It is amazing! They have the greatest make up as well.

'Beauty and the Beast' is really an excellent drama! We can learn many difficult vocabulary items and colloquial expressions through the dialogue. The actors and actresses in this drama are famous and they have authentic acting skill! And it has the attractive clothing and make-up. You may have an unforgettable and remarkable experience after watching this drama. Maybe it will change your mind of watching drama. Watching drama can be fun, go and enjoy it!
