Earth Hour (by Green Time)

Jay : Good morning everybody , I'm Jay D from 4A !

Dorothy : Hi guys ! I'm Luk Beauty from 4A too!

Jay : Well , we used to be called 'Drugs' right ?

Dorothy : Yes , so what ?

Jay : Actually we've decided a new name

J & D : And we are now Green Time !

Dorothy : Hey have you heard about Earth hour ?

Jay : Not really , an hour called Earth ?

Dorothy : You kidding me ? Of course not !

Jay : So what is it ?

Dorothy : Earth Hour is a global event on climate change . In every year , it is held on the last Saturday of March .

Jay : Wait , what about the time ?

Dorothy : Be patient ! Millions of people around the world will start to turn off the light for an hour at 8pm .

Jay : So this event gives any message?

Dorothy : Turning off the light for an hour can save a massive amount of energy . You know that ?

Jay : That's true , it's just a common sense !~

Dorothy : Haha ! If you think you're smart , so will you join this event ?

Jay : Sure why not ? If we just keep using energy constantly , the global warning will be intensified and there will be a serious climate change !

Dorothy : And the polar bear will lose their habitat !

Jay : Yes !

Dorothy : Not bad huh ?

Jay : Not enough ! And do you know why there is a climate change ?

Dorothy : How come I don't know ? I know that the power plants produce lots of air pollutants during the generation , then they cause a climate change .

Jay : Sounds like you're a professor !

Dorothy : Yeah ! By the way , you love music right ? Have you heard a song from Michael Jackson ? It relates to Earth Hour .

Jay : We Are The World ?

Dorothy : No , it's Earth Song . It used to remind us that we should pay attention for the situation of the world .

Jay : Sounds meaningful , shall we listen to it now ?

Dorothy : Yes !

[Song Playing]

Jay : Aaaaaaaaaaaah !

Dorothy : Calm down Jay !

Jay : Sorry but I love this song soooo much . It makes me feel so depressed , I must take part in the Earth Hour !

Dorothy : I hope every audience here like this song , and pay attention to our lovely world !

Jay : Well , I hope so . It's time to say Goodbye . See you next time .

J & D : Bye !
