ALL: GOOD MORNING EVERYONE!

D: Welcome to our Radio Show!

Y: We are the ...

ALL: AWESOME GANG!

A: Hey Ocean!

O: What's up?

A: I've got a problem.

O: What!? What is your problem?

A: I was asked to design the school board and the topic is gadget addiction. But I have no ideas on this topic.

Y: Um...I think there is a person who can give you a hand.

A: Really!? Who is that guy?

D: Hey, can you guys stop talking in this chat room? You are disturbing me playing LOL! The chat room is so noisy!

O: Well Alice, he is that guy. And what is LOL?

D: What do you mean by that guy?

Y: Is it 'laugh out loud'?

D: Of course not!

A: Oh it's the online game called League of Legends. Anyway, how come he can help? I thought he is just a game freak.

Y: As he is a gadget addict which is a serious problem. He always plays online games and concentrates on his mobile phone, using Whatsapp, Facebook, Instagram all the time.

D: You can't use this reason to define me as a gadget addict!

O: Have you felt nervous or worried if your phone isn't around you?

A: Are you waiting for your girlfriend? Haha!

D: So what? Everyone will feel that, including both of you.

A: I Don't.

O: I don't either.

Y: Me too.

D: Still I don't think that it is a big problem to me.

O: Not at all. People who are addicted to their gadget will have lots of problems, such as short-sight, insomnia, slow down your academic due to your weak concentration. If you got a serious addiction, your relationship with your parents would become worse.

D: Really? How come?

A: Is there any solution that could solve this problem?

Y: Yes. Addicts should turn their phone off during lessons and revision time, prevent distracting their concentration. On the other hand, rules for using mobile phones are needed to control themselves on using the gadget.

D: Wow! I would rather die instead of not using my phone. I'm sure I can't live without my phone and computer.

A: But that is good for you, you should control yourself.

D: No way. Indeed. I'm going to continue my LOL, please stop disturbing me, Ok? Bye.

Y: Oh no, there he goes playing his online games.

O: Did you know there is a song related to gadgets? People are so crazy about technology that they made songs about them too.

Y: Really?? What song is that?

O: It's called 'Telephone'.

A: Oh I know that song! It's sung by Lady Gaga!

D: I know that song too. It's a song they play in a club in Lan Kwai Fong all the time.

O: Yeah! Let's listen to it.

Y: That was a very interesting song.

A: Yeah, now it's stuck in my head. By the way, I think I've got enough information about gadget addiction and I need to start my work now.

O: Ok. If you have any questions, feel free to ask me!

A: OK. Looks like we're out of time!

Y: Hope to see you guys next time!

D: Guys! I said stop disturbing me! Oh wait, done already? Okay, see you!

ALL: BYE BYE!

Lyrics: Telephone (*Lady Gaga*)

Hello, hello, baby; You called, I can't hear a thing.
I have got no service in the club, you see, see...
Wha-Wha-What did you say?
Oh, you're breaking up on me...
Sorry, I cannot hear you, I'm kinda busy.
K-kinda busy K-kinda busy
Sorry, I cannot hear you, I'm kinda busy.
Just a second, it's my favorite song they're gonna play
And I cannot text you with a drink in my hand, eh...
You shoulda made some plans with me,
you knew that I was free.
And now you won't stop calling me;
I'm kinda busy.

Stop callin', stop callin',
I don't wanna think anymore!
I left my hand and my heart on the dance floor.
Stop callin', stop callin',
I don't wanna talk anymore!
I left my hand and my heart on the dance floor.
Stop telephonin' me!
I'm busy! Stop telephonin' me!

Can call all you want, but there's no one home,
and you're not gonna reach my telephone!
Out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!
Call when you want, but there's no one home,
and you're not gonna reach my telephone!
Out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!

Boy, the way you blowin' up my phone
won't make me leave no faster.
Put my coat on faster, leave my girls no faster.
I shoulda left my phone at home,
'cause this is a disaster!
Callin' like a collector -sorry, I cannot answer!
Not that I don't like you, I'm just at a party.
And I am sick and tired of my phone r-ringing.

Sometimes I feel like I live in Grand Central Station.
Tonight I'm not takin' no calls, 'cause I'll be dancin'.
'Cause I'll be dancin'
'Cause I'll be dancin'
Tonight I'm not takin' no calls, 'cause I'll be dancin'!

Stop callin', stop callin',
I don't wanna think anymore!
I left my hand and my heart on the dance floor.
Stop callin', stop callin',
I don't wanna talk anymore!
I left my hand and my heart on the dance floor.
Stop callin', stop callin',
I don't wanna think anymore!
I left my hand and my heart on the dance floor.
Stop callin', stop callin',
I don't wanna talk anymore!
I left my hand and my heart on the dance floor.
Stop telephonin' me!
I'm busy! Stop telephonin' me!

Can call all you want, but there's no one home,
you're not gonna reach my telephone!
'Cause I'm out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!
Call when you want, but there's no one home,
and you're not gonna reach my telephone!
'Cause I'm out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!

My telephone! M-m-my telephone!
'Cause I'm out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!
My telephone! M-m-my telephone!
'Cause I'm out in the club, and I'm sippin' that bub,
and you're not gonna reach my telephone!
